

Elastomer Components Sales & Service

Elastomer Components Sales & Service, One Technology Drive PO Box 188 Rogers, CT 06263-0188

June 27, 2018

Dear Valued Customer:

The European Chemicals Agency (ECHA) has identified a Candidate List of Substances of Very High Concern (SVHC) for Authorization. This list is available on the ECHA's website <http://echa.europa.eu/>. This list will be regularly updated when more substances are identified as SVHC. ECHA urges companies to check their potential obligations resulting from the Candidate List.

Rogers has evaluated the NITROPHYL® Floats for SVHC. Rogers uses one substance in the manufacturing process that is classified as a SVHC. Di(2-ethylhexyl)phthalate (DEHP) is contained in manufactured articles at less than 6%. Additional information can be found on the Safety Data Sheet.

A handwritten signature in black ink, appearing to read 'Frank Tang', is written over the typed name.

June 27, 2018

Frank Tang

General Manager

Rogers Corporation – Elastomer Component Division

The information provided in this SVHC declaration form(s) is based solely on Material Safety Data Sheet (MSDS) information provided by our raw material suppliers. Rogers Corporation makes no representation that it has verified the accuracy of the MSDS information upon which this declaration is based. Rogers Corporation accepts no responsibility for incomplete or inaccurate MSDS information, or for incomplete or inaccurate information contained in this declaration. Rogers Corporation accepts no duty to notify users about changes to the provided information. Rogers Corporation is not liable for any damages, direct or indirect, consequential or otherwise, that the Reader or any third party might incur as a result of any incompleteness or inaccuracy of the information contained in this declaration form, or as a result of ignoring this warning.

The world runs better with Rogers.
