February 2, 2021

Dear Valued Customer:

The European Chemicals Agency (ECHA) has identified a Candidate List of Substances of Very High Concern (SVHC) for Authorization. This list is available on the ECHA's website <http://echa.europa.eu/>. This list will be regularly updated when more substances are identified as SVHC. ECHA urges companies to check their potential obligations resulting from the Candidate List.

Griswold LLC **enlighten-u** products do not contain any SVHC above 0.1% by weight, per the ECHA Candidate List dated January 21, 2021.

If Rogers may be of any further assistance, please do not hesitate to contact Customer Service <http://www.rogerscorp.com/ems/contact/index.aspx>

Sincerely:

Rogers Corporation

The information provided in this declaration form(s) is based solely on Safety Data Sheet (SDS) information provided by our raw material suppliers. Rogers Corporation makes no representation that it has verified the accuracy of the SDS information upon which this declaration is based. Rogers Corporation accepts no responsibility for incomplete or inaccurate SDS information, or for incomplete or inaccurate information contained in this declaration. Rogers Corporation accepts no duty to notify users about changes to the provided information. Rogers Corporation is not liable for any damages, direct or indirect, consequential or otherwise, that the Reader or any third party might incur as a result of any incompleteness or inaccuracy of the information contained in this declaration form, or as a result of ignoring this warning.
